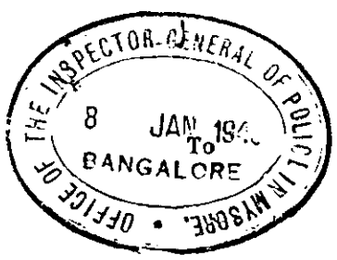
Encls. Statement

Date 7th January, 1943.



The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Through: The Inspector General of Police in Mysore, Bangalore.

Sir,

W With reference to your letter No.2653/W dated 11-12-1942, I have the honour to submit herewith a statement of the slit trenches to be excavated near Harijan keries and the estimate amounting to Rs.450/-.

Originally the excavated earth was being watered and tamped to form a mound round the pit but later on the dry earth was spread out as it was found to be very clearly visible from the air. But it has been found very difficult to attend to drainage if no mound is put in alround. Hence, the original standard type is again adopted except that steps are provided instead of the long ramps.

The estimate may kindly be sanctioned and in anticipation of sanction, a few of the trenches have been started.
